LOCAL BUSINESSES / INDUSTRY

FRIDAY 25TH FEBRUARY 3PM-7.00PM
PUBLIC LISTENING EXERCISE

**THE CENTRE,
TRINITY CHURCH
CHYOONE HILL**

This is an 'issues' and 'ideas' meeting.
Funding has been sought to make improvements.

We want to listen to people who live/work here/ use these streets. Essentially funding from Town Deal is to look at solutions to some of our traffic/ parking issues in Newlyn by thinking of **ALL** road users and how our streets can 'work' better. School children, lorry drivers, cyclists, bus and car users and walkers.

NO NEED TO BOOK

Drop in and share your ideas and suggestion.

Help feed into possible solutions.

Event hosted by local Cornwall Councillors and members of Penzance Town Deal Team, with support from Cornwall Council's highways department.
