**Recommendation:**

A meeting be arranged with the representatives of Penzance Football Club to discuss the recent unauthorised works undertaken at the ground and to review health and safety and statutory certification.

**Background:**

Recently an amount of work has been undertaken by Penzance Football Club around the ground which sits within the conservation area boundary. The work was not authorised by Penzance Council, as the landlord, in advance of it taking place and Penzance Council were subsequently contacted by a number of concerned members of the public regarding the work and what appeared to be tree removal within a conservation area.

It is suggested that a meeting is set up between representatives from Penzance AFC, the Mayor, Town Clerk, Chair of the Leisure and Amenities Committee and Leisure and Amenities Manager to discuss the recent work, the current position in respect of rent payments and to undertake a review of Health and Safety documentation.

Ben Brosgall  
Leisure and Amenities Manager
