

Report from Outside Body

50+ Forum - Penzance.

Cllr Penny Young

This group for anyone over 50 years old, meets bimonthly at Salvation Army church in Queens Street Penzance.

Thursday 12th chair, Mike Bates led this year's Christmas meeting with carols, tea and mince pies.

Each meeting has a focus of entertainment or information with plenty of time tea and conversation as well as Wendy Gauntlet's famous shop, raising funds for the group. These meeting provide an ideal opportunity for older people to socialise and share ideas.

As with many organisations, numbers have declined following the pandemic and Mike is keen to build them up again. He is standing down as chair at the AGM next June and the forum is urgently looking fo a new chair. No experience is necessary, just a desire to enhance the life of local older people and perhaps develop a wider programme of events and entertainment.

Please contact me if you have any questions.
