### (i) Exhibitions and acquisitions

Officers are really pleased that the Gallery and Museum has been awarded Silver in the 'Small Visitor Attraction' category at Cornwall Tourism Awards. This is a huge honour and reflects the hard work undertaken by the staff and volunteer team, to ensure that everyone who visits Penlee House or engages with us online has a fantastic experience.

The previous exhibition 'Birds: the art of Cornwall's birdlife' ran until 4 October, with 13,162 people visiting the exhibition.

The current exhibitions are Lamorna Birch: A Painter Laureate, displayed in Gallery 1 and Biddy Picard: Timeless Penwith displayed in Gallery 5. A selection of Newlyn School paintings from Penlee House's collection are displayed in Galleries 2-4. These exhibitions run until 10 January 2026. In installing these exhibitions and works in the Social History gallery and on the landing, only 3 works remain in their 'normal' location.

#### **Background:**

The development of the Coach House continues with excellent progress consistently made.

Weekly meetings continue in order to ensure work is being done to timetable and that any required decisions can be made. These are supplemented with monthly meetings between the client, the contracting team and the contract administrator.

Skimming of walls has been completed and interior decoration to the café area has begun. Tiling of toilet cubicles has been completed. A new CCTV camera has been installed covering the café terrace, which has been added to the existing Penlee Centre system. Intruder alarm system installation has begun. Second fix has begun with plug sockets having been installed. Flooring will be installed in early December.

All fixtures and fittings have now been selected, including external and internal flooring. National Grid have approval for a road closure to install the 3-phase electric supply to the Coach House in January. The installation of the commercial kitchen will be undertaken in January, once the majority of build work is completed.

The tender documentation for the café operator, including a draft contract, has been produced and is being finalised with the procurement specialist for release as a public tender mid-November (verbal update will be given to confirm tender is live). The tender process will close on 11 January with the tender panel convening to deliberate on 21 January.
